PERMIT HUNT CONDITIONS

This permit is valid for taking one legal moose in Unit 3, 1B and 1C south of Point Hobart, as covered by Registration Hunt RM038 in accordance with the current Alaska Hunting Regulations and conditions described below:

1. The video "Is This Moose Legal" must be viewed before receiving a permit. This video may be viewed at ADF&G offices or online at www.legalmoose.adfg.alaska.gov
2. Season dates: September 15 - October 15, 2020.
3. Legal moose: One bull moose with a spike or forked antler, or 50-inch or greater antler spread, or 3 or more brow tines on one antler, or 2 brow tines on both antlers. In the RM038 moose hunt a damaged, broken, or altered antler is not considered a spike-fork antler.
4. Special Conditions: Hunting with the use of a motorized land vehicle is prohibited in Unit 1B, except to retrieve moose, establish camps, or check boats. Additional restrictions apply to motorized vehicle & equipment use in congressionally designated Wilderness. Contact the local U.S. Forest Service office for details.
5. Successful hunters must return the completed hunt report, and submit the lower front teeth (on a 5-inch section of jaw) and the antlers (attached to the skull plate), to ADF&G representatives in Petersburg, Douglas, Kake, Ketchikan, Sitka, or Wrangell within 5 days of kill.
6. Unsuccessful hunters and permittees that did not hunt must return the completed hunt report to ADF&G, or report online at <http://hunt.alaska.gov>, within 15 days of close of season. If you fail to report, you will not be eligible to receive any permits the next regulatory year. In addition, your name may be turned over to the Alaska Wildlife Troopers for enforcement action.

You must comply with all permit hunt conditions, additional requirements, and restrictions, as well as what is published in the permit hunt supplements, and Alaska hunting regulations for this regulatory year.
